

You won't find another Colemill President II B55 like this! Make your ramp presence known with this one-of-a-kind paint job and wrap yourself in the custom rustic leather interior. Fly safely with state-of-the-art Garmin avionics including a G500TxI, powered by Dual Garmin GTN 650TxI Com/GPS units. Engine monitoring displayed conveniently and intergraded into the G500TxI while the Garmin Digital Autopilot allows you to enjoy the view. Stay comfortable in the summer months with the Installed Kelly all-electric air conditioning system. New 4-Blade MT propellers with additional speed, prop clearance, reduced vibration and weight savings! No damage history and complete logbooks are available.

Competitive financing rates available, so contact Lone Mountain Aircraft today to get this great aircraft into your hangar soon!
