CITATION CJ1

2000 Cessna Citation CJ1 now available for sale. 525-402 is a well maintained, upgraded and low time example of the CJ1. Only 2,700 since new with the airframe enrolled in Textron's ProParts program and the engines enrolled in TAP Blue. The DOC IO inspection was just completed in March 2025 at Banyan and is ready for its new home! The interior boasts a belted side facing seat, a club seating arrangement and a non-belted flushing lavatory. Executive tables, window shades, individual lighting and refreshment center keeps your passengers comfortable while up front the cockpit sports an upgraded and capable setup. Collins ProLine 21 is the base for the panel then upgraded with JETTECH's Garmin upgrades including dual Garmin 750's, dual Garmin Transponders, FlightStream, XM Weather and much more. A great opportunity to acquire a low time CJ1 with great times remaining, avionics upgrades and recent maintenance completed. Many high-res photos and CAMP reports available upon request.
